

Trauma Awareness: Critical Information for Veterans Treatment Court Teams

NADCP's [Justice For Vets](#) and [PsychArmor[®] Institute](#) have launched a new free online education series on trauma for all veterans treatment court team members. The series continues Justice For Vets' partnership with PsychArmor[®] Institute, a non-profit organization committed to educating a nation by providing free, online education courses and critical resources to ensure military service members, veterans and their families thrive.

[Trauma Awareness: Critical Information for Veterans Treatment Court Teams](#) consists of eight short modules featuring subject matter experts and covering a range of critical issues related to trauma. Topics include:

- PTSD Myths and Facts
- Resilience in the Military
- Understanding Suicide
- Traumatic Brain Injury
